

Green New Deal Best Practices widget

In order to highlight the wealth of examples from around Europe showcasing various aspects of the implementation of the Green New Deal, we created a best practices widget. The widget shows each week a new best practice example featured on the website.

The widget is available in 2 formats – portrait and landscape.

Landscape format

View an image of the widget in landscape format online [here](#).

Use the following code to implement the widget on your website:

```
<iframe src="http://greennewdeal.eu/index.php?id=522" width="468" height="60" scrolling="no" frameborder="0"></iframe>
```

Portrait format

View an image of the widget in portrait format online [here](#).

Use the following code to implement the widget on your website:

```
<iframe src="http://greennewdeal.eu/index.php?id=528&portrait=1" width="120" height="297" scrolling="no" frameborder="0"></iframe>
```
